

Northern Palms Charter High School

It's not too late to graduate!

September 21, 2016

Dear Parent or Guardian:

We believe that your involvement with your child's education is essential to their academic and future success. To honor our commitment to provide the best possible educational experience for your child and work with you in that effort, we would like to invite you to help us develop our school's Parent Involvement Plan (PIP).

Our plan is to host meetings that will be dedicated to this important collaboration. The first meeting is scheduled for **12:00pm and 2:00pm October 4, 2016**, at **Northern Palms Charter High School**.

The goal is to integrate a PIP that implements parent involvement strategies, activities, and services. Furthermore, offer programs that may service students who are limited English proficient, disabled, migratory, homeless, economically disadvantaged or in need of additional academic assistance.

Together, we will develop a written policy guide that will be distributed to parents of students participating in a Title I program. We will also make this written policy available to other interested parents.

Again, we invite you to join with us by investing your time and energies in the future success of all our students. If you are interested in participating, please email me at bgraham@nothernpalmscharter.com I would appreciate hearing from you by Tuesday, September 27, 2016.

Sincerely,

Bernadette Graham
